

Birthday Party

A Milk Crate Circus Birthday Party

workshop runs for up to 90 minutes and includes skilled demonstrations circus games and unique circus activities:

An experienced circus coach will ask the birthday child to choose their favourite activities from juggling, spin sticks, hula hoops, spinning plates and poi (or a big mix of everything!).

After that, guests practice some basic tumbling skills set up as an obstacle course and the workshop ends with taking turns to "crash the mat" and wish the birthday kid a happy birthday.

Then it's time for cake and stuff and for the circus coach to pack up!

Birthday Party Information

Everything you need to know before booking:

Price (2026-2027 financial year)

The price for the above 90 minute workshop to be provided **locally in the Illawarra would be \$530** paid by bank transfer or cash due on the day of the event. Milk Crate Circus Pty Ltd is operated primarily by company director and head coach, Corie Hurry and based in Dapto NSW. Corie usually provides these workshops personally which is how he is able to keep the cost low. For groups larger than about 25-30 you may like to request a second circus coach at an additional cost, or for larger groups you might like to have Corie along to perform his 45-50 minute children's circus show Planet Lava instead of a workshop. For events more than 45km from Dapto, Milk Crate Circus can provide an adjusted quoted if required.

Venue (we come to you)

Milk Crate Circus is completely mobile. In the past we hired out a local community hall for our classes and found this to be an excellent option for birthday parties as well as an excellent wet weather plan. Many of the photos on the Milk Crate Circus website are from a birthday party hosted at a local community hall with a shaded outdoor area.

Important Safety considerations

- What to wear: It might go without saying, but the kids will want to be dressed in clothes that are easy to move and stretch in or even roll upside down in (preferably pants without zippers or rivets but it's no trouble if one or two kids turn up in jeans for example).
- Hygiene Safety: As an affiliated Gymnastics NSW club and a registered covid safe business, I ask that all children wash or sanitize their hands before the workshop and recommend washing hands before eating afterwards.
- Emergency Contacts: As the party host, please keep a list of emergency contacts for any children who are attending without a parent present.
- Sun Safety: Outdoor workshops are generally a bit more fun in the shade. **If you're planning to host the party in the backyard, consider if there is a good amount of space in the shade. It's also a good idea to have a back-up plan in case of wet weather.**
- Alcohol and Smoking: In the spirit of child safety, it is the policy of Milk Crate Circus and Gymnastics NSW that a children's birthday party/workshop must be an alcohol and cigarette free environment.

Availability

Milk Crate Circus Pty Ltd is operated primarily by company director and head coach, Corie Hurry and based in Dapto NSW. Corie usually provides these workshops personally which how he is able to keep the cost low. Corie is most available **on Saturday Afternoons and on Sundays** pending other bookings.

Birthday Event Details
